

PROFILE

As a dedicated and ambitious student haven completed my first degree in mathematics with a focus on solving real life problems, I am passionate about exploring the tech industry with my creative ideas. With my eagerness to learn, I have actively engaged coursework, online courses and extracurricular activities that enhance my skills in Tech. I am seeking opportunities to apply my academic knowledge in a practical setting and contribute to a dynamic team. Known for my adaptability and strong work ethics, I am excited about the prospect of gaining real-world experience and making meaningful contributions.
